\* **MPS** is the “**Multi-Purpose Building South**” at **Douglas County Fairgrounds** (where we normally do PE in Castle Rock). Take the first entrance into the Fairgrounds (there will be an electronic sign at this road) and go straight back to the fenced area. Park outside the fence in the parking lot at the north end. The **MPS** is the second building on the right as you drive north.  
 \***Kirk Hall** is the first building on the right before the **MPS**.
